

# Everything Formation Testing

**Thursday 5<sup>th</sup> December 2024**

*The Geological Society, Burlington House, London*

*Call for Abstracts*

**Submission Deadline: Thursday 21<sup>st</sup> November**

On **Thursday 5<sup>th</sup> December** the London Petrophysical Society will be holding a seminar themed on “**Everything Formation Testing**”.

It will consist of a series of talks presented in person at the Geological Society, each lasting around 25 minutes with some time for audience questions.

Abstracts could include topics relating to:

- A review of the **acquisition** and **quality control** of Wireline and LWD formation testing data
- Milestones in formation testing development as seen through **field examples**
- Integration** of formation testing data into e.g **dynamic behaviour estimates**
- Solutions** to improve formation testing in **challenging** environments

This is a **Call for Abstracts** for presentations from Energy Companies, Service Companies, Independent Consultants, Academia and other interested parties.

Abstracts should be one page of A4 including an illustration and speaker bio, submitted in Word Document format.

Please send your abstracts to Edwin Wraith, Email: [edwin.wraith@bp.com](mailto:edwin.wraith@bp.com), or any member of the LPS Committee, by Thursday 21<sup>st</sup> November.
