

Petrophysics for Abandonment

Thursday 6th March 2025

The Geological Society, Burlington House, London

Call for Abstracts

Submission Deadline: Thursday 13th February

On **Thursday 6th March** the London Petrophysical Society will be holding a seminar themed on **“Petrophysics for Abandonment”**.

It will consist of a series of talks presented in person at the Geological Society, each lasting around 25 minutes with some time for audience questions.

Abstracts could include topics relating to:

- Assessment of Well Integrity
- Identification of Flow Zones, Leakage Potential Analysis and Hydraulic Isolation
- Monitoring Post-Abandonment
- Advancements in cement practice and Cement Bond Logging
- Reevaluating previously abandoned wells for geothermal and CCUS projects

This is a **Call for Abstracts** for presentations from Energy Companies, Service Companies, Independent Consultants, Academia and other interested parties.

Abstracts should be one page of A4 including an illustration and speaker bio, submitted in Word Document format.

Please send your abstracts to Martin Leonard, Email: **martin@petromac.co.nz**, or any member of the LPS Committee, by Thursday 13th February.

£150 for delegates (Speakers exempt)

(LPS is not VAT registered)

Students can register for free

Includes lunch and post-seminar wine and savouries

Doors open at 9am
